# SUMMER FOR STUDENTS ENRICHMENT

*... for learning & fun  
under the summer sun!*

## BIRD WATCHING AT BOLLES HARBOR

**Mon.-Fri., June 16-20, 8:30 a.m. to 11:30 a.m.**

Who? Students ages 11-14

Where? Bolles Harbor Math & Science Cntr.  
6670 Waters Edge Dr.

Cost? \$ 45 per student includes materials

Info? Cherie Hunter  
734.242.5799, ext. 1336  
hunter@misd.k12.mi.us

**LIMITED TO 15 STUDENTS**

Come join us at Bolles Harbor for an exciting week of the Sport of Birding. Students interested in bird watching, identifying birds and their songs as well as enjoying nature will also receive Peterson's Guide to Birds.

## Archaeology Camp

**Mon.-Fri., July 7-11, 9 a.m. to 12 noon**

Who? Students grades 5 - 7

Where? River Raisin Battlefield Center

Cost? \$ 75 per student

Info? Chuck Estep  
734.242.5799, ext. 1337  
estep@misd.k12.mi.us

**LIMITED TO 24 STUDENTS**

**Archaeology Camp** will introduce students to the **War of 1812** and the **Battle of the River Raisin**. Campers will become acquainted with how to perform an archaeological dig, working as a team at the River Raisin Battlefield to discover, catalogue, and document the artifacts that could be discovered. Students will be able to work with previously discovered artifacts from this and other important historical sites in Monroe County.

*Yes!*

## PROJECT FISH CAMP 2008

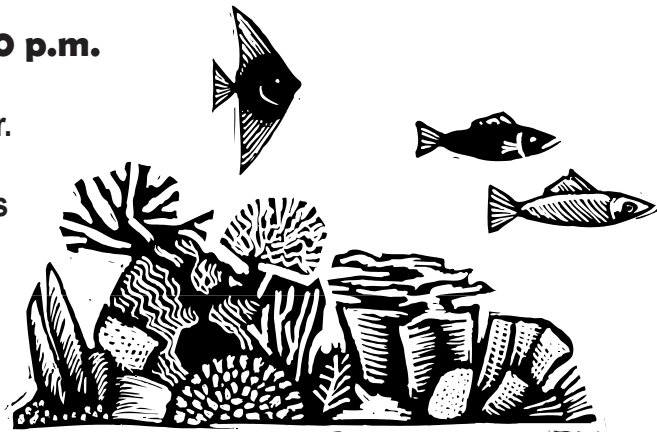

**Mon.-Fri., July 14-18, 9 a.m. to 12:00 p.m.**

**Who?** Students ages 10 - 12

**Where?** Bolles Harbor Math & Science Cntr.  
6670 Waters Edge Dr.

**Cost?** \$ 50 per student includes materials

**Info?** Cherie Hunter  
734.242.5799, ext. 1336  
hunter@misd.k12.mi.us

**LIMITED TO 15 STUDENTS**

**Project FISH (Friends Involved in Sportfishing Heritage) Camp** will offer fishing education and skills plus hands-on fishing. Participate in interesting activities and sampling experiments; look at aquatic macroinvertebrates found in pond water; learn how to make your own tackle, jigs, and snelling hooks; create a worm/crawler harness for catching fish; practice angling skills; learn how to use a fishing pole plus basic casting.

## Environmental Camp 2008

**Mon.-Fri., August 4-8, 9 a.m. to 12:00 p.m.**

**Who?** Students ages 6-8

**Where?** Bolles Harbor Math & Science Cntr.  
6670 Waters Edge Dr.

**Cost?** \$ 45 per student includes materials

**Info?** Cherie Hunter  
734.242.5799, ext. 1336  
hunter@misd.k12.mi.us

**LIMITED TO 15 STUDENTS**

Learn about the different habitats surrounding the Bolles Harbor area. Campers will study the aquatic ecology of nearby ponds, explore the world of insects, learn about plants, including invasive species and animals around the Lake Erie region.
